INFORMATION ON DATA

There are 4 data sets that we have compiled for this paper and that are posted online:

- **ForbesWarnock_flows_dataset:** a stata file with the final capital flow dataset used for the analysis
- **Forbes_Warnock_episodes:** a stata file with the final set of surge, stop, flight and retrenchment episodes used for the analysis
- **Forbes_Warnock_control_variables:** a stata file with the global and local control variables used for the regression analysis.
- **Forbes_Warnock_variable_definitions:** an excel spreadsheet with details on the variable names, definitions and sources.
